TACHIKAWA CORPORATION will exhibit our product line in International Trade Fair of Shutters, Blinds and Gate Doors “R+T2012” to be held over five days from Tuesday 28 February to Saturday 3 March, 2012 in Stuttgart (Germany).

We continue to reinforce our sales promotion activities overseas as usual. As part of these activities, TACHIKAWA SHANGHAI CORPORATION, a wholly-owned subsidiary of TACHIKAWA CORPORATION, will open our TACHIKAWA SHANGHAI SHOWROOM. We consider exhibiting our products in “R+T2012” to be a strategic move toward the future global expansion of our business.

Prior to the exhibition, we intend to create a logo representing the high-class window products and systems distributed by TACHIKAWA group to enhance recognition of TACHIKAWA products and advertise them extensively to customers.
