

**TACHIKAWA CORPORATION**  
 Asia's Largest Exhibition for Shutters, Blinds and Doors  
**Participating in "R + T Asia 2013"**  
**March 26-28 (Tue.-Thu.)**

We, TACHIKAWA CORPORATION will exhibit our products at the "R + T Asia 2013" exhibition for shutters, blinds and doors to be held in Shanghai, China for three days from Tuesday, March 26, 2013.

"R + T Asia 2013" is the Asian version of the world's largest international exhibition for shutters, blinds and doors, "R + T", which is held in Stuttgart, Germany every three years. The first "R + T Asia" exhibition was held in Shanghai in 2005 and the event this year marks its 9th anniversary. About 300 companies, mostly from Asia, will participate in this exhibition. This exhibition attracts global attention and is expected to have many visitors from countries all over the world.

A wide range of products, including roller blinds, roman shades, pleated blinds and vertical blinds, will be exhibited at our TACHIKAWA booth. In addition, we will introduce one-chain operation systems and those of the double type that are drawing worldwide attention, demonstrate our high quality and functionality, and make an appeal of the image of our TACHIKAWA brand to the world through this exhibition as the integrated manufacturer of window covering products.

We participated in "R + T 2012" held in Germany in February last year. Our participation this time is consecutive, enhancing the recognition of our TACHIKAWA brand internationally and strengthening our sales promotion in the world market.
